SUBJECT No. 61.

Game license fee.

Messrs. Bettagere Subramanya Bhatta and Halagar Subbaraya, Koppa Taluk.

Summary of discussion.—The license granted on a two-rupee paper is restricted for use in the village where the licensee resides. This is hard. It may be made applicable to the whole taluk in which he resides.

Reply of Government.—Licenses referred to by the members will be made operative within the limits of the hobli in which the licensee resides.

Ord: 1) The members refer to Rule 10 B added to the same Rule of 1901 by Notn No. 7498 – Leg 18–07 – 2d the 13th August 1908 the Govt have promised to extend the Concession to the limits of the Hobli where the licensee resides. This may be given effect to by substituting the words "Hobli" for the words "town or village" both in the first and second para of the above Rule.

11 During the last Dasara Representative Assembly, the members of the Koppa Taluk represented (subject No.61) that game license granted on a two rupee paper was restricted for use in the village where the licensee resides, which was hard, and asked that the same may be made applicable to the whole Taluk.

/2. Government in their reply promised to make the license operative within the limits of the hobli in which the licensee resides.

/3. The rule on the subject is 10 B added to the Game Rules of 1901, by Notification No.J.498/Legis 18-07-2 dated 13th August 1908. The connected papers are put up.

3

Pages 2 & 3 of Notes.

/4. The Second Councillor does not see any necessity to alter the rule and states that the District Magistrate has discretion to mention such reasonable limits for operation of the license as each case may require. The First Councillor agrees with the Second Councillor.

15. But the fact that a representation has been made and pressed shews that the discretion vested in the District Magistrate does not appear to be exercised liberally and uniformly. In this view it seems to me to be necessary to issue the general order promised at the Dasara Representative Assembly. This view is also borne out by the fact of the helplessness with which ryots in the Shimoga District are seeing their paddy and sugarcane crops eaten up by depredatory elephants which the ryots are afraid to shoot though only to scare away. A draft is put up.
